Dear Parent/Carer

IMPORTANT INFORMATION – PLEASE READ THOROUGHLY

Please find attached your coach pack for home to school transport 2017/2018.

Please be advised that the coach spaces will be on a first come first served basis and that, once we have reached capacity, you will be placed on a waiting list in date order of when the packs are received.

You must supply a complete pack to us. **ANY incomplete packs will not be accepted.**

There will be no exception to this and you are reminded that you must re-register even if you are already using the service as this is a yearly contract.

We will advise you when we have received your completed pack and confirm your space or position on the waiting list.

We will not tolerate abusive behaviour towards our office staff due to any reason that your forms have not been submitted. It is your responsibility to ensure your child's yearly travel to school and we will not be held liable in any way for whatever reason.

Please also ensure that your child has their bus pass on them at all times as they will be refused travel if they do not. The replacement bus pass has increased in cost to £5.00.

Samantha Sweeney

Director
