March 2017

Ref: GSK Open Evening year 11, 12 and 13 Thursday 23<sup>rd</sup> March 2017

Dear Parent /Carer,

Cox Green School has been working closely with the Careers and Business Enterprise Company; this is a government initiative aiming to engage schools with local companies.

Cox Green has been lucky enough to be working with GSK in Maidenhead. They have supported us at numerous events and have spoken at a number of sixth form assemblies and recently at our year 8 options career insight morning.

I am writing to inform you of a fantastic event they would like to invite our year 11, 12 and 13 students to. Attached is an invite from Oliver Sayers an apprentice at GSK. The event they are running is a new initiative and has transpired from meetings we have had with GSK, the aim is bring local business to the students so they can see first-hand the opportunities available to them.

As the visit is after school, the idea is that you can attend as a family (over 15's only) and make your own travel arrangements there. GSK has asked that students and parents inform the school they will be attending by return of reply slip. **If you would like to book a place please return the reply slip by Friday 17<sup>th</sup> March.**

Yours sincerely,

Mrs McKay  
Information, advice and Guidance counsellor

**REPLY SLIP – GSK VISIT – MONDAY 27<sup>TH</sup> MARCH 2017**

Student's Name \_\_\_\_\_

Tutor Group \_\_\_\_\_

- 2.
- 3.
- 4.
- 5.

Signed \_\_\_\_\_ Date \_\_\_\_\_

**Please Note: This is an over 15 student event.**

## Invitation to GSK Maidenhead Apprentice Open Evening

*Come and join us for an evening at GSK Maidenhead and learn about apprentice opportunities with GSK, and a tour of the factory at Maidenhead.*

Dear Sir/ Madam,

We would like to invite students from your school to the GSK Maidenhead Open Evening, where we will be discussing apprenticeship opportunities within GSK and getting a look inside the Maidenhead site. We are inviting students from the age of 15 plus and parents to come to our site and discuss the alternative routes for further education. They will also get the opportunity to look inside a high performing manufacturing site based in Maidenhead.

Along with the chance to informally chat to our apprentices and leaders, there will be short presentations talking about GSK apprenticeships, the courses that we offer, and the benefits that an apprenticeship can give to young people.

We are also hoping to run tours of the facility depending on the interest and we will provide details of this on the evening.

This isn't just an opportunity for students, we are welcoming parents and teachers along also, so please join us if you can. Details of the event are here:

### **GSK Maidenhead Open Evening**

Date - **23rd March 2017**
