Dear Parents and Carers

New Headteacher Appointment

We are delighted to announce that Frances Walsh will join Cox Green School as Headteacher from September 2017.

Frances has spent the last four years as a senior leader at Alec Reed Academy, Northolt and brings with her significant teaching, pastoral and leadership experience. She has a passion for education and a strong desire to continue the development of Cox Green School.

“I am truly delighted to be appointed Headteacher of Cox Green School and to be trusted to further the excellent work of the current Headteacher, and Board of Governors. I am looking forward to the challenge and opportunity this role brings and working together with staff to ensure that our young people have every opportunity to make a positive contribution to society. Cox Green School is a vibrant and dynamic community and being the Headteacher of a school which is so well supported by parents and the local community is my dream job. I am completely committed to making it an outstanding school, ensuring that it continues to grow and serve our children and their families.”

This is an exciting time for the school and the school will continue to thrive under Frances’s leadership.

With kind regards

Paul Loudon
Chair of Governors
