8th March 2017

Dear Parents/Carers,

I write with very mixed emotions to let you know that I will be moving on to take up a new post as of September 2017.

Cox Green School has played a significant part of my life for the last five years. I have very much enjoyed building strong relationships with students and parents alike and am very thankful for the support that all the families from Cox Green have given me. I have also had the great privilege to work with an amazing and supportive group of staff and Governors. As a result of this teamwork the school has grown from strength to strength.

I am moving to set up a brand new school in London, which has been set up collaboratively by secondary and primary headteachers and the Local Authority.

Having been in close discussion with the Chair of Governors, Paul Loudon, we know that the school will continue to flourish. Paul, is a highly experienced Chair of Governors, he will very capably oversee the appointment of the new headteacher who will take up the post for the next academic year. The recruitment process is underway and this will ensure stability for the school and all of the students.

As ever, I will give Cox Green School my all, until I leave in August 2017. The students will continue to be fully supported in the lead up to their examinations, the younger year groups aided as they continue transitioning from primary to secondary or from KS3 to KS4. The expansion plans, entailing the new build, continues full steam ahead.

I will, when I leave, continue to wish Cox Green every success.

Thank you for your time,

Regards

Heidi Swidenbank
Headteacher
