Dear Parent/Carer,

RE: Year 10- Memrise and Speaking Booklet

I am writing to inform you about memrise, an online application on the internet or on a phone, which enables students to learn key vocabulary for their GCSE. Every student has been given the opportunity to join memrise and it is our expectation that your son/daughter spends at least 10 minutes per day, 5 days per week on it. This is to ensure that they are fully prepared for their GCSE examination, as vocabulary plays a key role in their success.

I would also like to inform you that your son/daughter will be starting to complete a speaking booklet in lessons in order to prepare him/her for the speaking exam which makes up 25% of the final grade. This is essential preparation for all students and will form the basis of their speaking and writing revision.

Finally, I would like to thank you for your continuous support throughout the GCSE course and for all of the hard work that your son/daughter is putting in to their language GCSE.

If you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely,

Ms Stevenson
