

22nd June 2018

Dear Parent/Carer,

I would like to advise you that we have two events taking place in School next week: Year 11 Leavers afternoon on Tuesday 26th and Year 13/14 Leavers afternoon on Wednesday 27th June 2018. This will mean closing the Basketball playground for second break to all students as this will be needed to provide car parking space for parents/carers attending the events.

If you are attending either of these events, please go directly to the signposted playground inside the school to park.

Students will not be able to exit the school at the end of the day via the main entrance gates but can use the main reception doors and the science gate at the back of the school.

When collecting your children please be aware that the Community Centre and Leisure Centre car parks will be full and that alternative parking should be found to avoid congestion.

In addition to this, works to create additional car parking spaces in the Leisure Centre car park and along the side of our Sports hall will commence on Tuesday 26th June and are expected to last for 10 days. There will be traffic lights in place for one way movement of traffic from the Community Centre to the Leisure Centre. To avoid congestion and delays we ask that you do not use these car parks to drop off and pick up your children but find alternatives during this period.

I apologise in advance for the inconvenience but I am sure you understand that the safety of our students is our utmost concern.

Frances Walsh
Headteacher
