

2 July 2018

Dear Parents/Carers,

RE: Sports Day – Thursday 19th July 2018

We are delighted to inform you that the Cox Green School Sports Day will be held on Thursday 19th July 2018. The day will be action packed with athletics competitions linked to Olympic events.

During assemblies and PE lessons, students have been informed of the plan for the day. PE staff and tutors will be organising their House teams during tutorial and lesson time. The times for the school day will remain the same and students are required to bring in their books and equipment for their normal timetabled lessons. When competitors are not involved in an event, or if we have to cancel the day due to poor weather (they will be in normal lessons)

The event timetable for competitors:

9:00am (Registration)	Year 7 competitors to report to their field events during registration.
10:15am (Period 2)	Year 8 competitors to report to their field events.
11:45am (Period 3)	Year 9&10 competitors to report to their field events.
12:35pm (During Period 3b)	All years competitors report to track for 1500m, 1000m, 400m and 300m.
2:05pm (During break 2)	All track competitors report to track.
2:15pm	Non competitors report to tutor group rooms for registration
2:20pm (Period 5)	Whole reports to field to watch finals of 200m, 150m, 100m, 75m and Relays
3:00pm	Students return to tutor rooms for final clear up, dismissed at 3:15pm.

All students who are competing in events will be allowed to wear full school PE kit for the whole day. Given the exceptional weather recently, please ensure your child has a hat and sun-cream, and has plenty of water and refreshments for the day. Students who are not competing in events must come to school in their full school uniform and attend lessons as normal until Period 5 where the whole will watch the final track events.

We look forward to an enjoyable and successful Sports Day where many House points will be awarded.

Yours sincerely

Mr M Gullick
Director of PE, Sport and Health
