

May 2018

Dear Parents/Carer

Next week your son/daughter will be given a careers appointment with Mrs McKay our in-house Careers Adviser. The aim of this session will be to outline his/her choices after leaving in year 11.

Students will be met individually, and the appointment time will be given to them on a sticker to put in their planners. There may be some follow up actions to be looked at whilst at home, afterschool or at lunch time in the library or during tutor time, this will be recorded on Doodle. It is hoped that by researching our sixth form, local colleges and apprenticeship providers, students will begin to ask questions about future pathways after year 11 and begin to see how different subjects and grades can allow you to follow a particular career pathway.

All the research and suggested websites can be located on the school website under: *Information/careers advice*.

I would also like to draw your attention to the Careers in Berkshire presentation on the school website which explains current labour market information in the Thames Valley area and the skills and subjects required for these vacancies.

If you require any further information please do not hesitate to contact me by email, s.mckay@coxgreen.com

Yours sincerely

Sara McKay

Careers Adviser
