

7 March 2018

Dear Parent/Carer,

RE: Year 11 History - Medicine Revision Session

As your child approaches the forthcoming exams, the History Department is aiming to provide as many opportunities for quality revision as possible. As such, we are excited to invite all History students to a special evening revision session on Monday 19th March.

The focus of the revision session will be to cover the entire Health and the People course, which makes up 25% of the overall History result. The session will be led by all four History teachers; Mr Burrows, Miss Taylor, Mrs Gibbons and Mr Furkins.

During the session, students will get the opportunity to make high quality revision materials, ask questions about areas of concern, and practice exam questions. By the end of the evening, the aim is for the students to feel comfortable with the exam content, and head into Easter with a base of revision notes to assist them.

We strongly encourage that all students make the most of this unique opportunity.

The session will begin at 16:30 until 18:30 in the Theatre on Monday 19th March.

Yours sincerely

Joseph Burrows
Learning Leader, History.
