Dear Parent/Carer,

RE: Year 11- MFL Revision Workbooks and Memrise

As part of our ongoing commitment to raising achievement at Cox Green School, I have provided an independent learning resource for your son/daughter. It is available online and will be given to every student as a hard copy. The idea is that students can use this booklet to ensure that they have secure knowledge of the foundations of the course prior to their exam. Teachers have the answer booklet so students can check their understanding at any time. We will then go over any common misconceptions in class.

I would also like to take this opportunity to emphasise the importance of the use of memrise, a learning application which can be downloaded on to a phone or used online, as part of your son/daughter's exam preparation. The expectation is that they are spending at least 10 minutes per day, 5 days per week on memrise in order to develop their vocabulary. This is vital in order to prepare them as best as possible for their upcoming summer exams and will be monitored weekly by their teacher.

I would also like to thank you for your continuous support throughout the GCSE course.

If you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely,

Ms Stevenson
