Dear Parent/Carer,

RE: Year 9 GCSE Photography - Payment contribution towards the Photography pack

I am delighted to hear that your child has chosen to study GCSE Art.

As you may be aware, as a School we are ambitious for all our learners and in Art we encourage pupils to work productively in lessons and where possible, independently after school and at home. As a requirement of the GCSE course, students are required to use specialist equipment and materials for their studies. Although the School provides the majority of all general purpose art materials, we also like to provide an individual art pack. We would like to offer students a special discounted rate but we can only do this if we are able to purchase all the items in a bulk order. This enables us to get more competitive rates from our suppliers and we can pass on this saving to the students for their art packs.

The Specialist Art Pack:

A3 Polyholdall Folder
A4 Spiral Bound Sketchbook
A5 Spiral Bound Sketchbook
Fine Line Pen - Black
Pritt Stick x 2
16GB Kingston SDHC
Xenta Single-slot USB2.0 Card Reader
Photo Print Credit

This photography pack represents very good value for money and will also enable the student to work independently on photographic projects and assignments extending and developing their creative skills throughout the year. We would be very grateful if you could make your contribution of **£25.50** by using our on-line e-payment system, via your existing sQuid account. Once you have done this, please print off your receipt and return together with the reply slip below by **Thursday 21st September**.

Yours sincerely
