

13th September 2018

Dear Parents and Carers

Our students and staff are all enjoying our new canteen facility "Dine@CoxGreen" which is open for breakfast, snacks and meals.

The catering team work extremely hard to provide a healthy and delicious range of food at very reasonable prices and it is lovely to see so many people enjoying the options on offer.

Students can choose from a range of sandwiches, wraps, hot paninis, hot snacks and a freshly prepared hot "meal of the day" as well as drinks, fruit, baked goods and deserts. Price increases over the last few years have been minimal and always below inflation – where else can you get a hot lunch for £2.25?

The weekly hot meal menu is:

Monday – "Pie Day"

Tuesday – "World Food" (a main meal from a different country)

Wednesday – "Roast Dinner"

Thursday – "Curry"

Friday – "Fish and Chips"

There is always a hot vegetarian option available!

Please keep an eye open for specials as John and the team often celebrate key holidays and fetes from around the world with a traditional dish.

As of Monday 17th September, there will be a new daily limit for students using the facility of £6 per day, to enable students to purchase breakfast, lunch and snacks throughout the day. Should you wish to set a different limit for your child (either above or below the £6 limit), please email enquiries@coxgreen.com and we will organise this for you.

Yours sincerely

Frances Walsh
Headteacher
