

7th May 2019

Dear Parent/Carer,

Re: Extended Project Qualification Presentation

I would like to invite you to our Extended Project Qualification Level 3 showcase, for students who are submitting in June, on **Thursday 16th May commencing at 4.00pm in C4.**

Your son/daughter, along with other students, will be presenting on their learning experience and findings from investigating the following themes as part of their EPQ:

- The impact of school uniform on gender inequality
- Motivating factors in violent crime committed by the very young
- The eradication of the AIDS virus
- The benefits of gene therapy to treat Leukaemia
- The impact of captivity on Apes as a species
- The rise of the Right and the lessons we can learn from C20th History
- Film Noirs of the 1950's
- Alternative treatments for anti-depressants

This is a fantastic opportunity to see what some of our 6th Form students have been working on and to ask them questions about these particular topics which encompass their passions and interests as extensions from their studies.

Tea, coffee and light refreshments will be provided, and we anticipate that the event will be finished by 5.00pm.

I would be grateful if you could confirm you will be attending via email: k.thompson@coxgreen.com. If you have any questions please do not hesitate to contact me.

Kindest regards

Katie Thompson
Deputy KS5 lead and EPQ Coordinator
