

18<sup>th</sup> October 2018

Dear Parent/Carer,

**RE: Year 11 GCSE Photography - Payment contribution towards the basic photography pack**

Earlier in the year we contacted you to explain the requirements for students in their final year of GCSE. We emphasised the importance of specialist equipment and materials in photography and offered all students a special discounted rate. The majority of students have now purchased these packs, however we do require all students to be equipped with some essential basics - including photography books and glue sticks. This enables all our GCSE students to make the expected progress and complete work independently and in their own time. The payment also includes the printing of work onto photographic paper – required for examination and exhibition quality work later in the year. Once again this approach is far more affordable than the average ‘high street’ or online printing prices.

**The Specialist Photography Basic Pack:**

A4 Spiral Bound Sketchbooks x2
Pritt Stick x2
Photo Print Credit

These resources still represent very good value for money and we would be very grateful if you could make your contribution of **£20.00** by using our on-line e-payment system, via your existing sQuid account. Once you have done this, please print off your receipt and return together with the reply slip below by **Friday 9<sup>th</sup> November**.

Yours sincerely

Sarah Harris - Learning Leader: Art and Photography
