

11 September 2018

Dear Parent/Carer,

Key Stage 4 Information Evening – 27 September 2018

As your child moves through Key Stage 4 at Cox Green School, you will no doubt have questions about the GCSE courses he/she is studying. The GCSE qualifications gained from GCSE courses will be used to access further or higher education, apprenticeships and employment, so it is important for all students to achieve their full potential over the next two years.

At Cox Green School we are committed to the success of your child and wish to support both you and him/her over these crucial two years. As part of our programme of continuing support, we would like to invite you to our KS4 Information Evening. The evening will take place on **Thursday 27th September** and will run from **6.00pm** until **7.15pm for Year 10**, with a second session from **6.45pm** until **8.00pm for Year 11**.

The evening will consist of an initial address by Mr Foster (Head of Year 11) and Miss Venning (Head of Year 10), followed by information on grades from Mrs Morgan-Russell and an introduction to English and Maths by Mrs LaRocque, Miss Rugman and Mr Haghazhali. Following this you will be invited to attend an open session in the new dining room, Dine@coxgreen, with the Learning Leaders of departments who will each address the specific needs for each subject.

As this evening is focused upon ensuring parents have the correct information to help support their children, **students will not be required to attend the evening** and will have these skills delivered through PSHE sessions.

We would be very grateful if you could confirm your attendance at this event by replying to the text message.

We look forward to seeing you for this informative and helpful evening.

Yours faithfully,

M. Foster

Mr M Foster
Head of Year 11
