Dear Parents and Carers

Ofsted Report

Our Ofsted report has now been published and is available to read on the Ofsted website at:

<https://files.api.ofsted.gov.uk/v1/file/50036536>

A copy has also been uploaded to our website www.coxgreen.com

I am delighted that the report acknowledges the continued commitment to achievement shown by pupils and staff in the “friendly and harmonious school where individuals matter and their successes are celebrated” “where aspirations and morale are high”. The report comments that teachers are “very engaging and encouraging” and “pupils feel valued and cared for well”.

A particular success was the school’s Sixth Form provision; Inspectors noted that this was a “transformed picture”, where students were now making “well above average progress” particularly in Maths, Science and RS.

The report is addressed to me, however, it is really a testament to our team of hard working and committed staff, the wonderful young people we work with every day and our incredibly supportive parents and carers. It is because of this three-way partnership that this school continues to go from strength to strength.

Thank you all once again for your continued support of our school.

Kind regards

Frances Walsh
