**Mobile phone reminder:**

*We live in the real world now and we like you to bring a phone for emergencies. The rule is that you should be trusted not to be communicating with others outside of your group, therefore a leader can ask you any time and if your phone is not on airplane mode then this could jeopardise your entire group expedition. You should only take it off airplane mode to call a leader or 999, DO NOT CALL HOME WITHOUT SPEAKING TO YOUR LEADERS. Do not use your phone at the campsite or whilst walking for music.*
