

04th December 2018

Dear Parent/Carer,

Re: Sixth Form Taster Day – Thursday 13th December 2018

On Thursday 13th December, Year 11 students will be participating in a series of Sixth Form Taster sessions. All students are invited to attend school in **business dress or school uniform on this date**. Students will be able to experience the courses on offer to them in the Sixth Form, which will help them decide on their next steps. Regardless of future career plans, we will also be providing further career guidance on this day, supporting all students with their 'next step' planning, including information about the provision available at local colleges. Our aim is to enable students to try subjects that they are currently considering studying at Post 16, whilst supporting those who are still undecided about what to do next. We will also provide students with some top tips for making the most out of the next 15 school weeks.

The deadline for applying for Sixth Form at Cox Green School is Friday 1st February 2019. Should a student need support with this process, or with applying for other Post 16 providers, we will provide it on taster day. Interviews will be taking place for those who do apply to Cox Green School from Monday 4th February 2019. Should you wish to find out more about the courses we have available please visit the sixth form section of the school website: www.coxgreen.com.

You may be aware that some students are involved in a trip during this day and will not be participating in Taster Day. If your child is one of these, he/she will be provided with an opportunity to receive bespoke support for applying to sixth form and other colleges.

If your child is taking part in the Sports Academy practical sessions available on this date, he/she will need to bring appropriate kit and will be made aware of this in advance. If you have any questions or queries please do not hesitate to contact me via email: l.kiely@coxgreen.com.

I would like to take this opportunity to thank the students in Year 11 for engaging in such a positive manner throughout the whole selection and preparation process for this day, which I hope they will enjoy.

Yours faithfully,

Lisa Kiely
KS5 Achievement Leader
