

March 2019

Dear Parent/Carer,

Year 11 Hospitality and Catering Practical Exam Dates

Your son/daughter is working towards his/her Hospitality & Catering qualification.

To prepare for his/her final practical exam on **Wednesday 3rd April**, he/she will have a practice exam run-through on **Wednesday 20th March**.

This is an important opportunity for him/her to experience working in a kitchen for 4 hours and will give him/her the opportunity to adjust dishes/menus with the feedback from staff prior to the final practical exam.

To support your son/daughter please ensure that on both dates he/she is present in school and that he/she has all the necessary ingredients, he/she should be able to tell you what these are!

In the meantime, many thanks for encouraging practice at home and for providing valuable feedback.

If you have any questions do let me know,

Yours sincerely
