Dear Parent/Carer,

**RE: Year 11 - GCSE Design and Technology**

As part of the new GCSE Design and Technology the theory has become far more important and now represents 50% of the overall grade. Students will be required to revise in depth in a much wider context in preparation for the exam.

With this in mind, we have secured a discounted deal to enable students to purchase copies of the complete AQA revision guide directly from the Technology Department.

The cost for this is normally £10.99 but are available for £3.30 and we would ask that payment be made via your child's existing sQuid account which will be available immediately.

Thank you for your continued support.

With kind regards

Gareth Roderick  
Technology teacher
