Dear Parent/Carer

RE: Year 9 PSHE DAY - Thursday 20th June

As part of the year 9 PSHE curriculum we have arranged for the Jimmy Mizen foundation to come and talk to students about violence and the consequences. Mr and Mrs Mizen lost their son as a result of youth violence and they now run a charity that tours and gives talks to students. Students will receive a talk where they will be taught the circumstances that led to the loss of Jimmy's life and why it is so vital to not get involved in youth violence. Due to the growth of youth violence we feel this talk will benefit students greatly.

As this is a charitable cause we are asking for a donation of £2 per student that will go directly to the Jimmy Mizen foundation. If you would like to look at the work the foundation is involved in, please visit forjimmy.org for more information.

Yours sincerely

Mrs R Gibbons
Teacher of History & Head of Year 9
