

September 2019

Dear Parents/Carer

Next week is the start of the Year 11 careers appointments with myself, our In-House Careers Adviser. The aim of these sessions will be to outline the choices available for further education and training after Year 11.

Students will be met individually; the appointment times have been allocated to students and the appointment information is on a sticker for students to put into planners. It is hoped that by researching apprenticeship opportunities, Sixth Forms, local colleges and attending open evenings and taster days, students will begin to ask questions about future pathways and be able to make informed supported decisions.

Helpful websites can be located on the school website under: <http://www.coxgreen.com> and located under *home/ Information/careers advice*. I would also like to draw your attention to the "Labour Market Information" power point on the school website which explains current job trends in the Thames Valley area and the skills required for these jobs.

I will be in attendance at Parents Evening on Thursday 7th November. Appointments can be booked through Insight. I will also be at the Sixth Form Open Evening on November 28th 6.30-8.00pm. A letter will be sent home prior to this.

If you require any further information please do not hesitate to contact me by email, s.mckay@coxgreen.com

Yours sincerely

Sara McKay

Careers Adviser
