

DONATIONS TO THE COX GREEN SCHOOL FUND

The Cox Green School Fund supports some of the 'extras' that our government funding does not cover such as improving equipment and school facilities, providing additional learning resources and raising funds for a new minibus which is vital to our extended curriculum.

We hope that each family will be able to help by completing the standing order mandate below. The school appreciates all donations whatever the amount, as a guide you may like to make a regular donation of £5 per month or an annual donation of £30 - £50.

STANDING ORDER MANDATE

YOUR BANK ADDRESS

To: The Manager
