Dear Parent/Carer

Application For Free School Meals

Free School Meals Application is now available on-line. To check your eligibility please register on our on-line application system.

The system is completely confidential and alleviates the need for paperwork or evidence.

To access the link please log onto the Cox Green School Website, from the 'Parent' tab click 'Free School Meals' and then 'Start' for New application and follow the steps. The only information required is your National Insurance number and you and your child's date of birth.

If you have any problems with setting up your application, please contact the school office who can assist and either talk you through the process or with your written permission can set you up on the system.

If individuals do register then it is possible that the school can support your child in terms of funding for curriculum field trips and activities.

Yours sincerely

Frances Walsh
Headteacher
